Quality Enjoy Large Hot Tub With an Open Seating Design

The R8 is a top quality extra large hot tub with ample room and an open seating design. The R8 is an excellent choice for those needing a little bit more space than normal and for those looking to enjoy their spa with family or friends. The R8 features hip and foot jet therapy along with 4 massaging airpaks of your choice.

Bullfrog R8 Spa
I absolutely love this spa! I have chronic sciatica and this is about the only thing that provides any relief.

We had a delay in
We had a delay in filling the tub due to deck construction and such, but now we are good to go. We love it so far...

Love our Bullfrog R8 Spa
We have had our spa for over a month now and it has been amazing. Easy to use, easy to maintain the chemicals and seems very efficient so far. The jet pads are powerful and we love the diversity of the jetpads. Highly recommend a Bullfrog spa (which came recommended to us).

Spa Leaked & Disappointing Customer Service
Our R8 Spa was delivered and set up, including the cover, on an existing concrete pad by the delivery crew on May 10, 2017. It was not filled until May 25 when the electronics completed their work. Shortly after the install we noticed water on the concrete pad at the right front spa jets. But the spa cover, we assumed that this was water from... [Read More](#)

★★★★★
Classy but pricey
We really like the jet pack options and the Bluetooth speakers. Our delivery was awesome and we feel like the men who set up our tub were quite knowledgeable. The product/price/ materials are also amazingly convenient, what a great idea however, we've had several things go wrong. First, our delivery wasn't actually scheduled with the delivery less...
