STIL5

A Space-Conscious Modern Spa

STIL5 offers an inspired functional modern design with a space-conscious layout perfect for urban environments and indoor use. With a smartly engineered angle of recline and an open concept that allows for a variety of relaxation positions you'll immediately recognize that STIL5 is much more thoughtfully designed than any other compact spa on the market. Whether enjoying solo or with a special someone, you'll love the option to select the three bio-engineered JetPak massages of your choice. There is simply no other spa that compares to STIL™.

Paul C. Verified Buyer   06/22/18
★★★★☆
experience with our STIL5
At first we had a problem with calcification of the entire spa that baffled us and our Bullfrog dealer who did his utmost to come up with a solution. After draining and rubbing all surfaces down with acetic acid, we refilled with water from our district which has consistently been very hard and discolored due to the drought in our area. The filter...Read More
