TriStar® VS 950

»»» Variable-Speed Pump

EXPERT LINE

NOT SOLD ONLINE

Designed for larger, high-specification pools, TriStar VS 950 provides ample power to replace most high-performance single-speed pumps up to 3 HP, saving pool owners up to 90% on energy costs.

INDUSTRY-LEADING ENERGY EFFICIENCY

TriStar VS 950 is the newest member of the TriStar VS family of residential pool pumps—the most energy-efficient pumps on the market, according to EPA ENERGY STAR® third-party testing. Its ENERGY STAR® rating also means owners may be eligible for local energy rebates.

DESIGNED FOR DURABILITY

Built with a chemical-resistant Viton® seal and accompanied by a 4-year extended warranty, TriStar VS 950 offers powerful corrosion protection for years of reliable performance.

EASY INSTALLATION & MAINTENANCE

2" x 2½" CPVC union connections make TriStar VS 950 easy to install and service. An extra-large, no-rib strainer basket allows for easy debris removal, while two pump-base options allow for seamless retrofitting, anywhere.
